Dear Ms. Lou:

These listed case have been assigned to Robert Geltzer, Panel Trustee. We want these cases be reassigned to any other trustee from the panel. Robert Geltzer has sued me personally, I have filed a motion for withdrawal of reference and also counter claimed abuse of process. As long as this law suit is pending, we do not want my case to be assigned to this trustee. Fairness is not only to be done, it must be seen to be done. It is my duty to protect my client and see that they are treated properly and with respect. My clients are concerned that they might be unfairly treated because of this law suit. This trustee does not make any difference to me personally, but I am concerned looking from my clients perspective. This is my second letter. Please advise what you propose to do. If I do not hear from you, I will be moving the court for change of trustee.

Sincerely,

Karamvir S. Dahiya, Esq. for the debtors.
